AM Pierce & Associates is a certified 8(m), Economically Disadvantaged Woman-Owned Small Business that offers the Department of Defense innovative solutions built upon our technical experience, operational mission perspective, knowledge of systems and proven management expertise. We are able to leverage the extensive industry experience of our dedicated staff to bring to stability and practices of a large company with the agility and responsiveness of a small company. Our innovative solutions answer our customers' most critical requirements. Our dedicated employees focus on providing high quality products and services in support of the warfighter and our nation's security.

Partnering with Us

8(m) Sole Source

FAR Subpart 19.1506 authorizes Sole Source awards to a Woman Owned Small Business when the Contracting Officer does not have a reasonable expectation that offers would be received from 2 or more WOSBs for contracts with assigned NAICS identified on the SBA 8m Program website. AM Pierce's primary NAICS Codes 541330, 541712, 541611, 541511 and 541519 are all eligible for WOSB Sole Source awards. Awards may be made for sole source contracts, including options, up to a ceiling of \$4 million for goods and services.

BENEFITS

The sole source vehicle provides agencies a simplified and shortened acquisition procedure:

- Reduced administration and costs: procurement process and time
- Best value, cost effective prices: agency negotiates with the firm directly to get the best value.
- AM Pierce Small Business Classification: 8(m), ED-WOSB/WOSB, SB
